The 1966 Memory Lane

Huckabay High School

Huckabay, Texas

Dedication

FRONT ROW: Mrs. Randolph, Mrs. Haley, Mrs. Ledbetter
BACK ROW: Mrs. Nix, Mrs. Jacobs, and Mrs. Pack.

We, the graduating class of 1966, wish to DEDICATE this, the 1966 edition of the MEM-
ORY LANE, to our mothers. They have strived to help us during our most formative years.
We wish to say thank you for all you have done for us.

Administration

"Ours is the only country deliberately
founded on a good idea."

John Gunther

Our Superintendent

Dear Seniors,

Greetings and best wishes to the 1965-1966 senior class. May I congratulate you on a very successful annual.

May I express my thanks to the entire student body for the help and cooperation you have given me.

The paths of life are not easy to travel, but may you ever set your goals high. Keep many things in mind as you go along life's way, such as God, parents, home, and family.

An education is never lost, and everyone can certainly use one. Gain all the knowledge you can. You will not be sorry.

Sincerely yours,

W. C. Davis

Principal's Message

Dear Seniors,

When we observe the people in our society, we find all kinds. However, some people seem to be more fortunate than others, and many times we say, "that person is sure lucky, everything he does turns out right." Students, it is my belief that there is no such thing as luck. My interpretation of luck is when opportunity meets preparation.

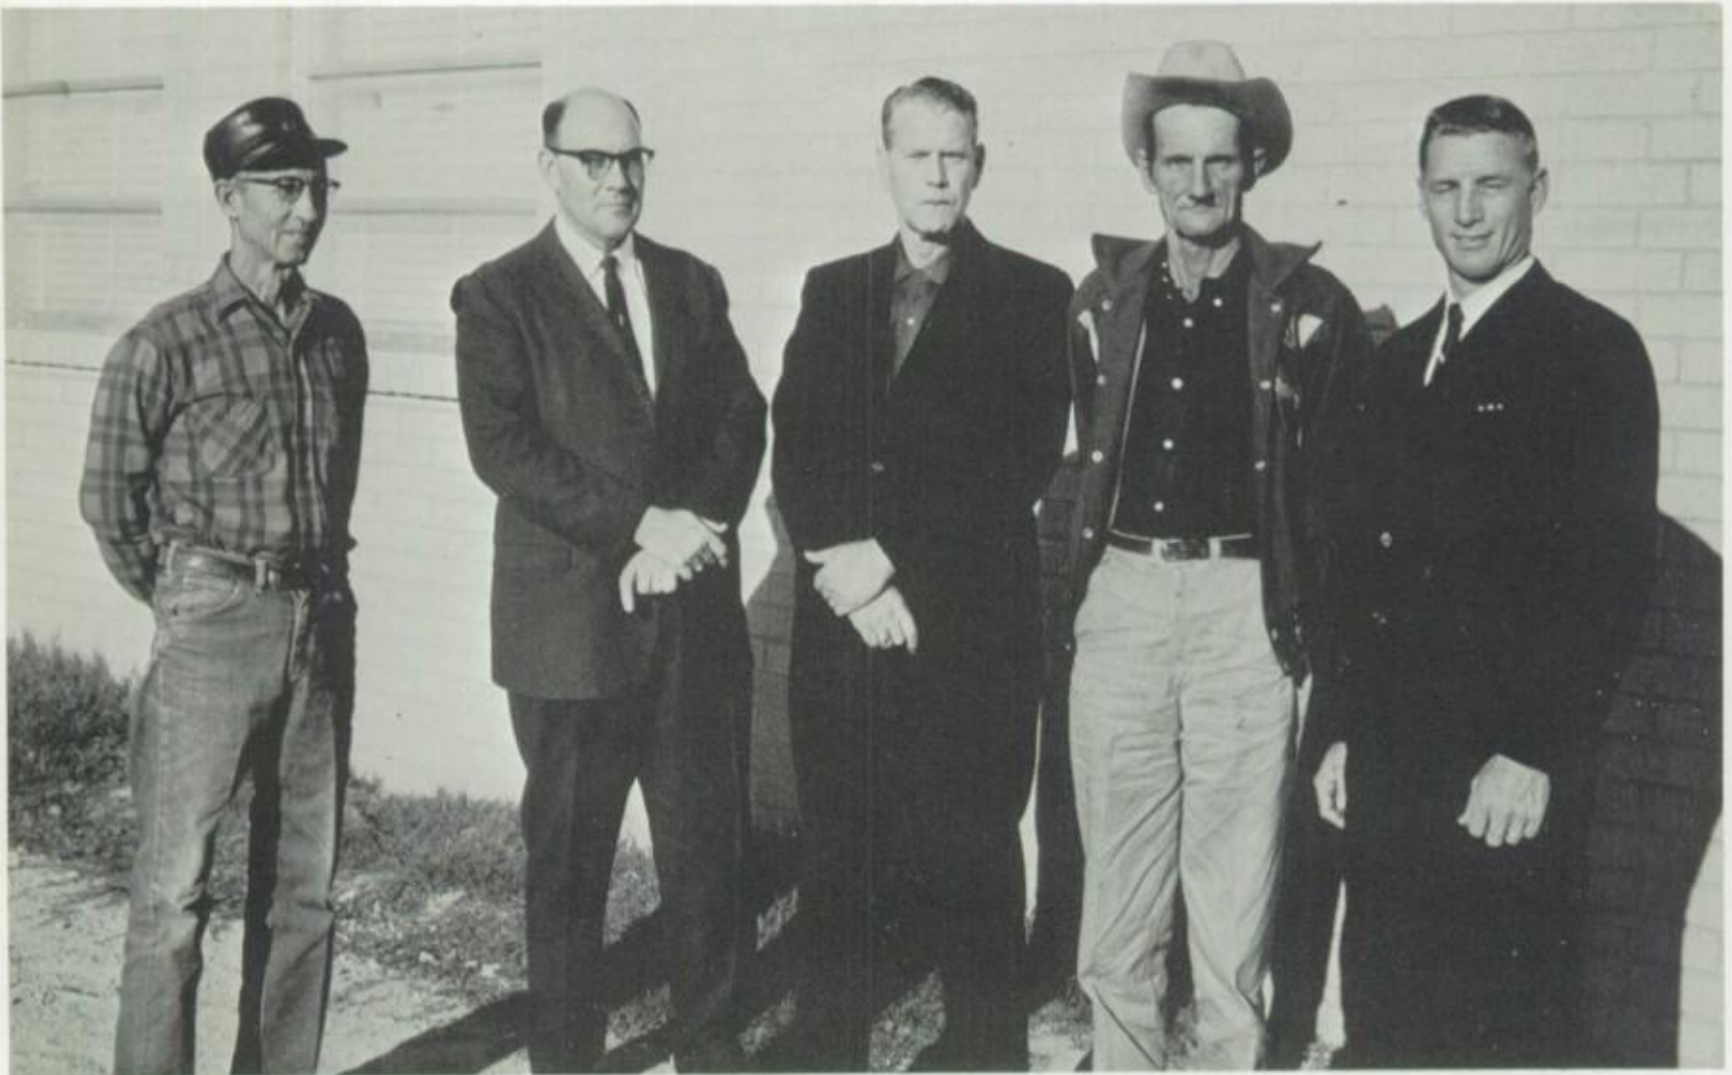

Sincerely,

James A. Boynton

Our annual is now complete, and we, the annual staff, are proud of our efforts. The 1966 MEMORY LANE, has not been an easy task, but we have enjoyed every minute's work toward its completion.

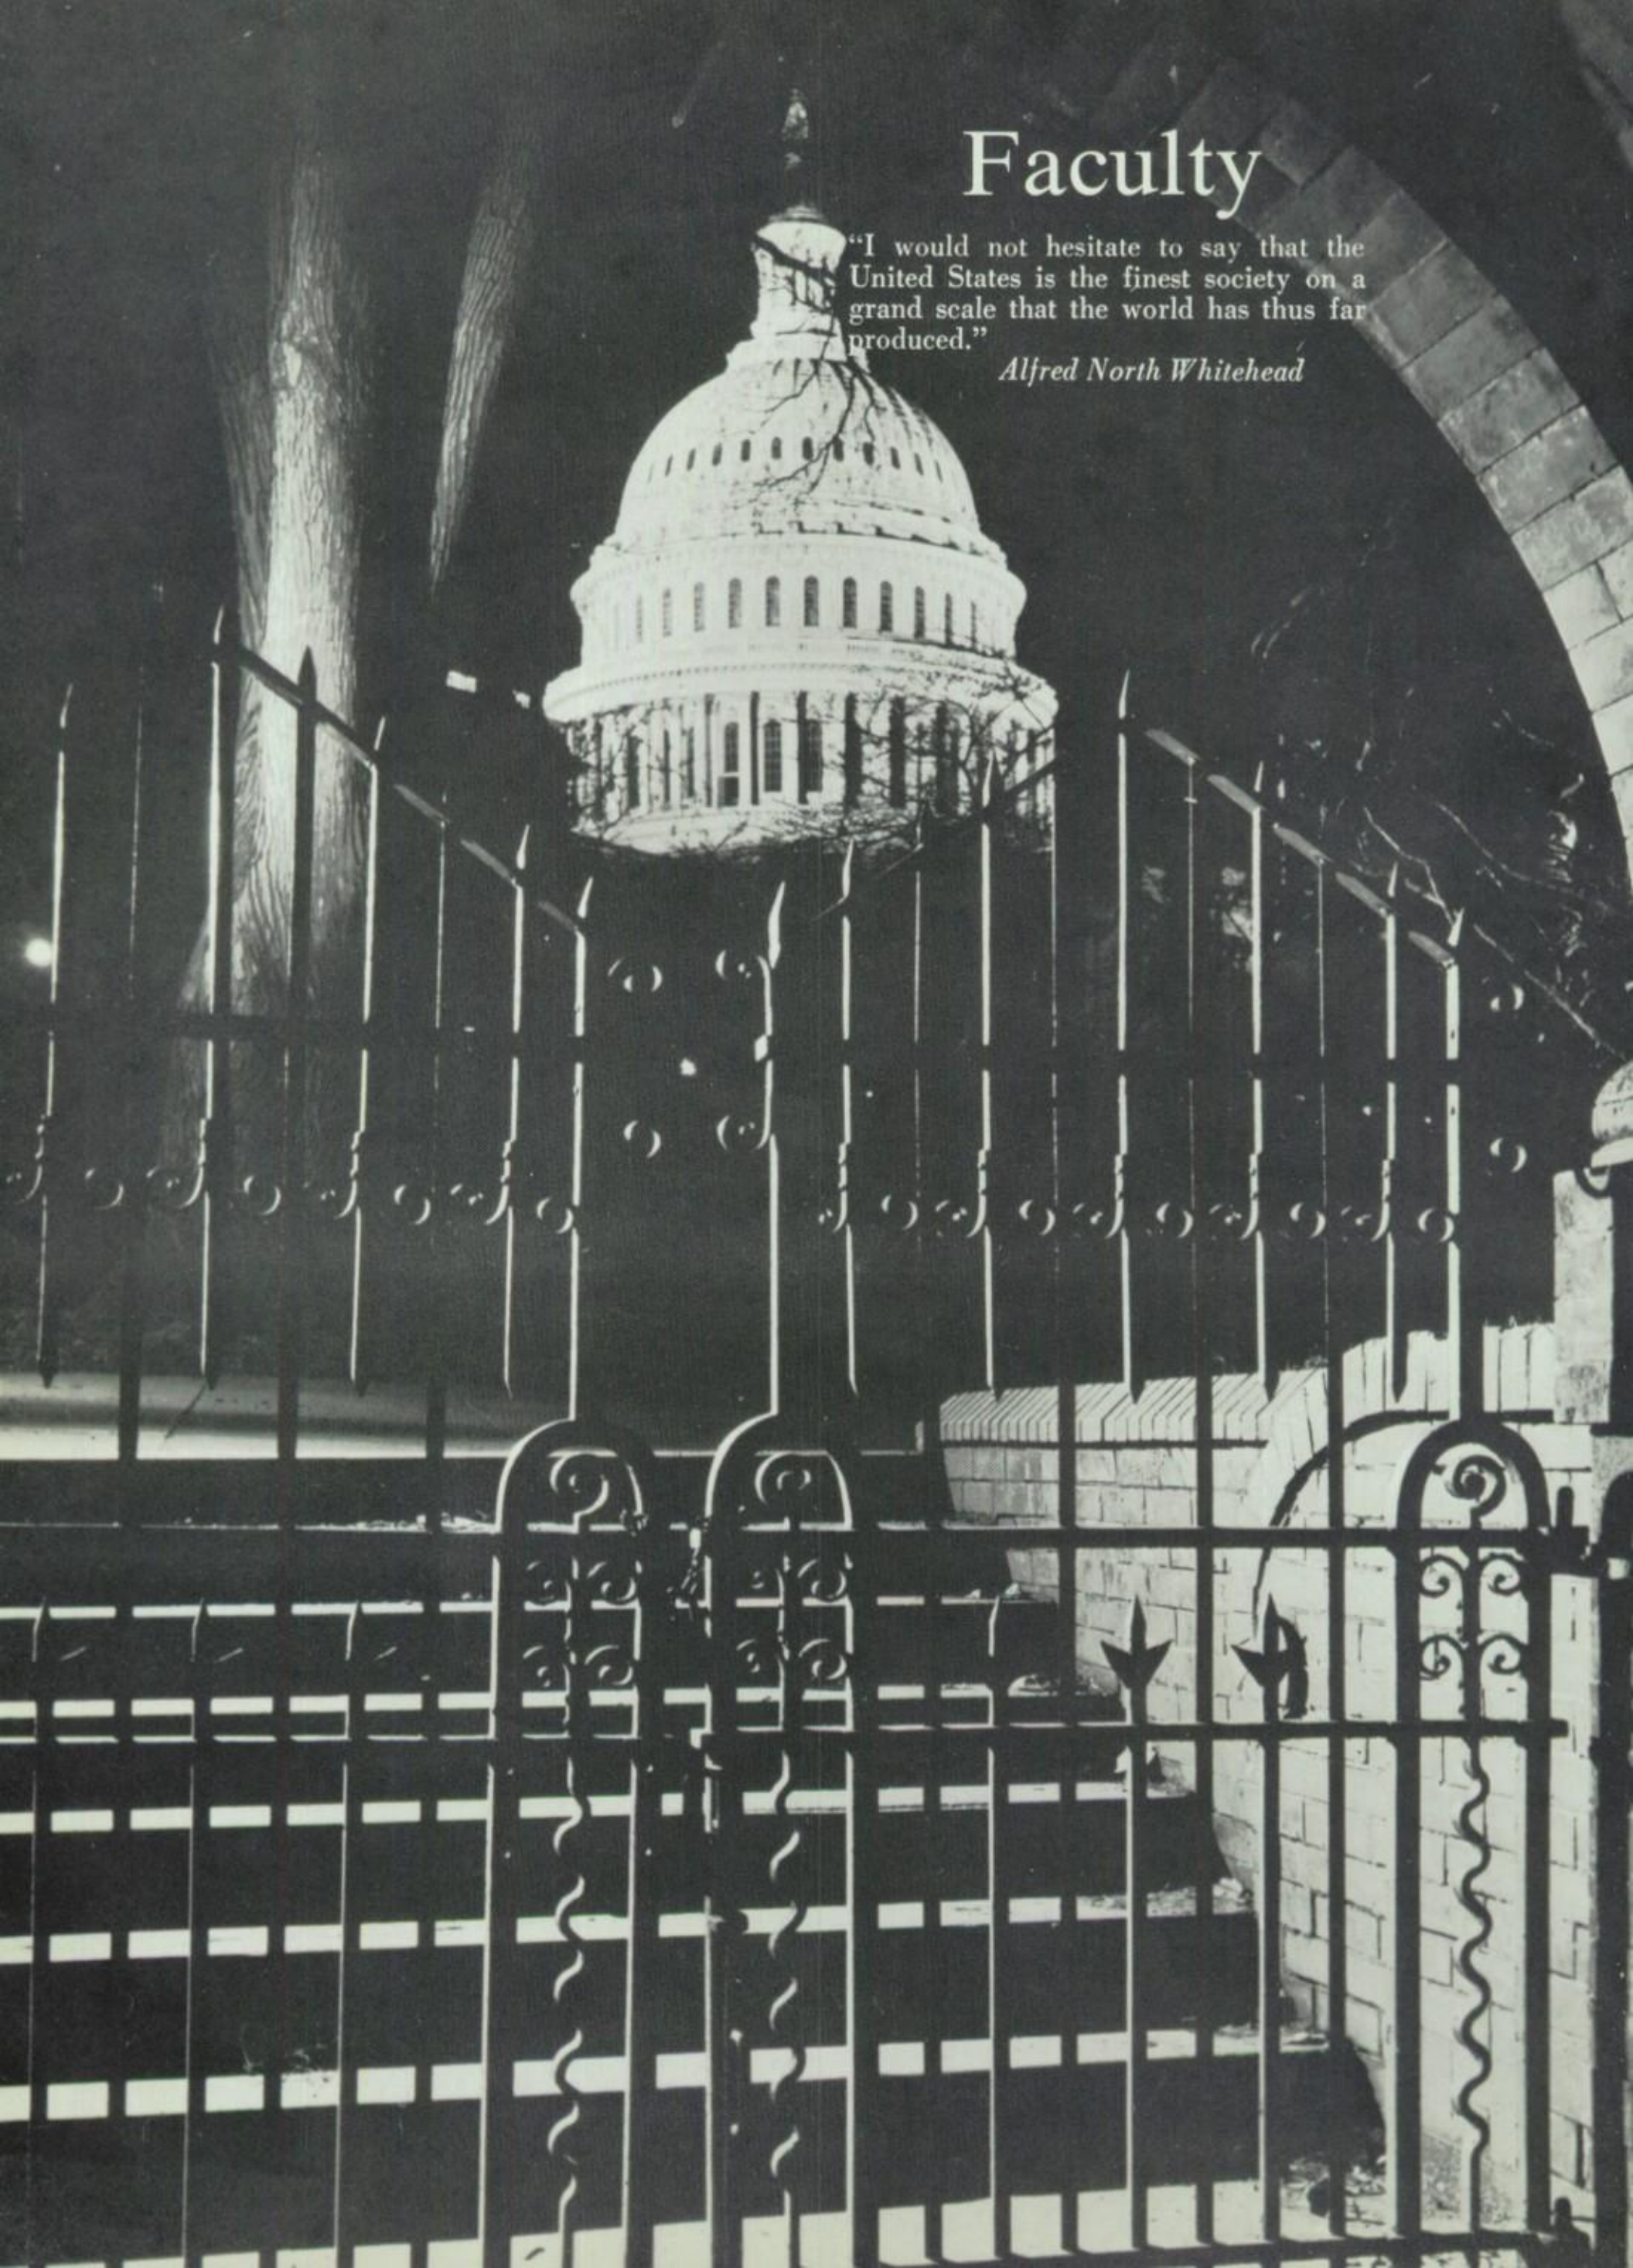

I appreciate the opportunity of serving my school as Editor of this annual and consider it an honor to have been chosen. May this annual's contents bring back fond memories to each and everyone of you.
